Rationale

The goal of this document is to provide a framework for professional growth in education and a definitive plan to reach the goals stated. The information provided in this document is your personal plan to reach the goals you have for this school year. This document will provide necessary material in your continued process of professional development and to fulfill the requirements of Professional Teacher Certification/Exemption for ACTS. This plan is to be revised and filed with the ACTS office after review by school administrator/principal at the beginning of each school year. An end-of-year evaluation by the school administrator/principal of this plan must be submitted to the ACTS office as well.
